Square Mile Sheets and Miscellaneous Building
Plans

This series is comprised of maps and building plans 1964 - present that have been microfilmed. The container lists have also been microfilmed and serve as indices. The series has been microfilmed in two groups. The first (BCA 1) consist of square mile sheets and building plans (page 3) that were added to the collection in 1979. The second groups (BCA) contains square mile sheets and building plans added in 1985.
